Program Code: T177   Student ID: 101261322
Program: Computer Programming &Analysis

Dear Ali,

It is with great pleasure that we congratulate you for making the Dean's Honour List for the Fall 2023 term.

This important achievement is only awarded to those who have earned academic distinction by achieving a Term Grade Point Average of 3.5 or higher.

Your addition to the Dean's Honour List reflects your hard work, dedication, and motivation to succeed at George Brown College, and you should be very proud of your accomplishments.

We share your pride in earning this honour. Congratulations again, and we look forward to celebrating your future successes at George Brown College.

Sincerely,

Luigi Ferrara

Luigi Ferrara, Dean
Centre for Arts, Design and Information Technology
